

Gallie Craig Coffee House

The background is a stylized illustration. At the top, a blue sky with wispy white clouds is visible. Below the sky is a green, rolling hill. On the right side of the hill, a white lighthouse with a black top and a yellow band is partially visible. On the left side of the hill, there is a building with a large, arched window divided into a grid of eight panes. The building's wall is grey and textured. In the foreground, there is a dark blue body of water. Overlaid on the water and the lower part of the hill is a large, dark grey, circular shape with a rough, hand-painted texture. Inside this circle, the text 'Food & Drinks Menu' is written in a white, typewriter-style font.
