

Gallie Craig Coffee House

An illustration of a coastal scene. In the background, a blue sky with white clouds is visible. To the right, a white lighthouse with a black top and yellow accents stands on a green hill. In the middle ground, a building with a large, arched window is partially visible. The window is divided into a grid of eight panes. The building's exterior is a mix of white and grey stone. In the foreground, a large, grey, circular brushstroke-like shape contains the text 'Food & Drinks Menu'. The bottom of the image shows a blue body of water.
