

Gallie Craig Coffee House

The background features a stylized coastal scene. At the top, a light blue sky transitions into a darker blue area containing the title. Below the sky, there are blue waves with white foam. A green hillside rises from the water, featuring a large window with a black grid pattern on the left and a grey stone wall on the right. A white lighthouse with a black top and a yellow band is visible on the right side of the hill.

A BIT ABOUT THE GC

Gallie Craig Coffee House is a small family run business that strives to provide a relaxing experience for all of our customers. With breath-taking views overlooking Luce Bay, Ireland & the Isle of Man this is a unique experience you won't want to miss. The building has a turf roof to blend into the landscape, ensuring minimum impact on the area but giving our customers the opportunity to enjoy the beauty of the Mull of Galloway with a cuppa at hand.

There is a huge selection of food & drinks on offer here. Whether it's coffee & a cake with a friend or a meal with the family you will be able to come & enjoy our homemade food & freshly ground coffee, all whilst taking in the spectacular views from Scotland's most southerly point.

No matter what the weather you can come & enjoy this experience where our friendly staff will be happy to serve & cater to any of your dietary needs. After you take in the views you can browse our Gift Shop where we offer a wide selection of gifts, jewellery, clothing & souvenirs.

For more information or enquiries please contact us online or speak to one of our staff members
